Marketing, Fairs, Sales, Brochures,
Electronic distribution, Promotions,
Press information, Trainings

TOP INTERNATIONAL
HOTELS & CORPORATE PARTNERS

ACTIVITIES 2012

TOP ACTIVITIES FOR YOUR SUCCESS

This new marketing plan combines the activities from TOP INTERNATIONAL Hotels, TOP City&CountryLine (TOP CCL) which represents the TOP exclusive line (exclusive activities marked in Green) our marketing alliance partner Falkensteiner Hotels & Residences (marked in Blue), VCH-Hotels Deutschland (marked in Orange) and Wellnessfinder.com (marked in Cyan). Starting on the 01st January 2012 until 31st December 2012 the activity plan includes a lot of activities which will be organized for the first time (marked in Red).

HOW DOES THE HOTEL WORK WITH THE ACTIVITY PLAN

The structure of TOP INTERNATIONAL Hotels asks for certain flexibility, therefore, changes in the time schedule might occur. In order to make the use of the marketing plan more efficiently, we suggest to concentrate on the following points:

- Addresses- or contact reports will not be given out without any proof of its purposes.
- Sales activities are to be found on the homepage www.topinternational.com or www.topccl-hotels.com under press room, TOP-Intranet.
- Short summaries for various trade fairs will be given at www.topinternational.com or on www.topccl-hotels.com under press room, TOP-Intranet. Certain fairs have a co exhibitor contribution fee. Key travel trade fairs as ITB and WTM are meant to be meeting points for hoteliers and clients. All partners are most welcome to join in and take full advantage of our corporate stand.

This activity plan and permanent communication with the TOP/TOP CCL Head Office combined with attendance to TOP trainings will ensure to get the most out of the partnership with TOP INTERNATIONAL Hotels & Corporate Partners. The training dates are set depending on urgency, new hotel staff and/or individual requests by hotels. We urge every partner to at least participate once a year in a training. Next to explanations on the fast moving development in electronic distribution the training will assist the hotel staff in understanding the meaning of successful handling of the TOPREZ system.

NEW IN 2012

INTERFACES / DIRECT CONNECTS

After the successful implementation of TOPREZ NG in the year of 2011, the paths are set for an ongoing implementation of new technologies. Most important and proving that the TOP/TOP CCL Hotels are always at the highest level of connectivity and with this a modern, state of the art hotel cooperation a number of developments will be coming into effect in the first quarter of 2012. The programming of the hotel.de interface is rapidly moving forward and commercial agreements for a number of other partners have already been agreed. TR VAGO, AGODA, INSTANT TRAVEL and KAYAK are only a few names of implementations which will be interfaced during the first quarter of next year.

CHANNEL MANAGEMENT

Another milestone in 2012 will be the channel management tool controlled and connected directly with a two way interface to TOPREZ NG. After years of testing and searching for the perfect partner, TOP has now selected the market leader in Channel Management the RateTiger to be the one we trust and will work with.

Either with the Stand-alone product or with the interfaced RateTiger system all TOP / TOP CCL Hotels will have the chance to control numerous websites with a click of the button or even more sophisticated have rates, availabilities and reservation notifications handled solely through TOPREZ NG.

DYNAMIC PACKAGING / ONLINE BOOKING PORTAL

We all have been waiting for this enhancement now for a couple of months, but in 2012 it will be finally the day our new website booking tool will go LIVE. Together with our partner PEGASUS we have investigated competitive systems, threads and opportunities, customer surveys and also of course technical requirements of our hotels, to build this magnificent web booking engine.

We eliminated flash based programming for mobile browsers to easily manage, structured the additional purchasing in the shopping cart function (dynamic packaging and Econcierge) and a user friendly multi language support. From a technical perspective all hotels will now be able to customize the booking tool to their individual housestyles and implement easily on their websites.

THE BRANDS

TOP INTERNATIONAL
HOTELS & CORPORATE PARTNERS

In 1982, Hans R. Müller founded TOP INTERNATIONAL Hotels in Düsseldorf, Germany. The business grew continuously over the years that followed, building up an impressive portfolio of more than 400 hotels. As part of a strategic overhaul in 2006, the Group moved to larger offices in the Düsseldorfer Medienhafen. At the same time, it changed its name to TOP INTERNATIONAL HOTELS & CORPORATE PARTNERS, uniting all the Group's marketing partnerships under a single umbrella.

TOP
INTERNATIONAL HOTELS

The TOP brand brings together hotels that are synonymous with personalised, friendly service. Wherever they are located, they rank among the best in their class. They have chosen TOP INTERNATIONAL Hotels as their marketing partner – one of Europe's largest hotel alliances that represents hotels in Germany and major European cities. The Group is also the marketing partner of Wellnessfinder, Falkensteiner Hotels & Residences, VCH-Hotels and Commundo Tagungshotels.

TOP
City&CountryLine

TOP City&CountryLine (TOP CCL) is TOP INTERNATIONAL's exclusive hotel collection, consisting of private first-class and luxury hotels in Germany and neighbouring countries. These are establishments that never compromise on quality and undergo regular inspections. To complement these inspections, we have awarded each hotel a rating of four or five Cs, according to our professional opinion. The ratings have stood the test of time. Every TOP City&CountryLine Hotel exudes charm and character and is privately owned or managed.

TOP INTERNATIONAL takes over Wellnessfinder.com, one of the leading internet platforms in German speaking Europe. The outstanding placement in search engines under the criteria wellness is used by nearly 125 hotels, carefully selected and upmarket properties, for additional marketing activities in the wellness segment and to offer their specific services and packages. Since 2011 the exclusive international Spa Resort group, PREMIUM SPA RESORTS, is one of the designated partners of the Wellnessfinder.com.

The Falkensteiner Hotels & Residences are a family-run hotel group from South Tyrol. Tradition and personal service are the Group's hallmarks, and each of the hotels has its own distinct character. Since all our guests have their own idea of what constitutes their dream holiday, we've grouped our hotels into three categories: family hotels, wellness hotels and city hotels. Common to all are the best locations and top-class furnishings. Generously sized rooms and attractive packages come as standard.

VCH Hotels – Verband Christlicher Hoteliers e.V. – has been in business for over a century. Christian values are the guiding force for all the Group's member hotels, which take their duty of hospitality particularly seriously. This is reflected in VCH's slogan: 'Your home away from home.' The Group's collection of three- and four-star hotels plus monasteries offering cultural, conference and leisure programmes appeals to a wide range of guests. That's why TOP INTERNATIONAL and VCH Hotels have joined forces.

A stylized world map silhouette in shades of blue, centered on the Atlantic Ocean, serving as a background for the top half of the page.

RESERVATION SYSTEM

TOPREZ

TOP's own reservation system (CRS) under the name of TOPREZ, with own private chain code TP.

TOPREZ is the most sophisticated CRS in Europe enabling our hotels full access to the major global distribution systems. To all GDS systems (Amadeus, Galileo, Worldspan, Sabre) our CRS has the highest level of connectivity, also known as seamless next generation. "Alternate property" search is one of the recently subscribed cross selling tools for the Amadeus GDS.

All TOP / TOP CCL Hotels are connected to 45 UTELL call centre in the world and control their availability and rates for those agents also by using the TOPREZ system.

The XML technology of our provider PegasusSolutions automatically links our properties to approx. 4.000 individual internet online booking sites. Password protected booking facilities through the websites of www.topinternational.com and www.topccl-hotels.de for special negotiated company rates and partner programs like ADAC (German automobile club) underline this highly advanced technological development.

Rounding up the online capabilities is our packaging tool, allowing all partner hotels to serve their clients with unique packaged arrangements to be booked online with instant confirmation.
